

Working With West Riding - Vacancies for Advisors

Are you: -

- Honest?
- Hardworking?
- Competent?

- Qualified? And most of all, do you always have your clients's best interests at heart? We are recruiting independent financial advisors throughout the North of England. Longer-term we plan to expand throughout the UK and beyond.

As a company we are keen on compliance and have an exemplary record with zero complaints referred to the Financial Ombudsman Service. The best compliance however flows from the attitude of the advisor. If you work hard at keeping your knowledge up to date, if you are prepared to put yourself out for your clients and if you always try to get them the best deal, we would like to hear from you. We want colleagues who take a pride in their work and who want to earn their living by enhancing the financial well being of others. In return we offer a friendly and straightforward working environment with a fair remuneration package, mentoring and support to help you achieve your own goals in life. If this sounds like you, please get in touch.
